PROJECT / DELIVERABLE

Sample Emerald Halo Ring

Reference: SAMPLE-11

No GST (International / Exempt)

Service description	SAC	Amount
CAD design services · 18.00 hours (18h 00m 00s) × INR 850.00/hour	—	INR 15,300.00
Design complexity adjustment (7.5%)	—	INR 1,147.50

The 7.5% rate comes from the studio's recorded complexity assessment using past projects as a reference. It was fixed when the project closed. $\text{INR } 15,300.00 \times 7.5\% = \text{INR } 1,147.50$.

Taxable value **INR 16,447.50**
Round-off **+ INR 0.50**

Invoice total **INR 16,448**

Amount in words: Sixteen thousand four hundred forty eight rupees only

Reverse charge: No

NOTES / PAYMENT TERMS

Fictional sample data only. Names, amounts and CAD illustrations are invented; not customer results. Draft demonstration only; not an invoice for payment.
